

Veterans of Foreign Wars Auxiliary
Department of Minnesota

AUXILIARY OF THE YEAR
Bulletin No.8 – May/June, 2017

Thanks to the auxiliaries that have sent in the Quarterly reports. It is good to see that some of our auxiliaries are participating.

“Auxiliary of the Year”, “Quarterly Reports”...Next report will be due June 1.

Along with this last report, I would like a short resume from you that sums up the year for your auxiliary. I want just the resume...no other attachments.

PLEASE NOTE: It has come to my attention that somewhere along the line the requirement of 100% is needed for “Auxiliary of the Year”... **This is not so.** Please continue to send in your quarterly reports no matter where your membership stands...but I would like to know your percentage, if you know it.

Once again to clarify assessments and donations: an “assessment” is a fixed amount that is due to Department or National (Health and Happiness, District Dues, Hospital and Home, etc.)
A “donation” is a free will amount that is given as a sort of gift, an amount that is not mandatory.

I look forward to receiving the reports and keep up the good work.

Reports are to be completed and mailed or submitted via e-mail to me. My address, phone number and E-mail is listed below. **DO NOT SEND THEM TO DEPARTMENT!!!**

Please note that I **need your post and district number** so I can record your report properly.

If you have any questions or concerns, please feel free to contact me. I do have a full time job...the first thing I do when I walk into my home is check for phone messages and then e-mail messages.
